

PUBLIC NOTICE

PROJECT NAME: Rehabilitation and Upgrade of Sludge Incinerator No. 2
New Jersey Environmental Infrastructure Trust (NJEIT)/
New Jersey Department of Environmental Protection (NJDEP)
Project No. S340801-08

PROJECT SPONSOR: Somerset Raritan Valley Sewerage Authority
50 Polhemus Lane, Bridgewater Township
Somerset County, New Jersey 08807

SITE LOCATION: Somerset Raritan Valley Sewerage Authority – Wastewater
Treatment Plant
50 Polhemus Lane
Block 305, Lot 4

The Somerset Raritan Valley Sewerage Authority had filed an application for funding with the NJDEP and the NJEIT to implement an environmental infrastructure project consisting of rehabilitation and upgrade of Sludge Incinerator No. 2 at its wastewater treatment plant. In accordance with Title 7, Chapter 22, Subchapter 10, specifically N.J.A.C. 7:22-10.4, the Somerset Raritan Valley Sewerage Authority is providing this public notice to announce that the NJDEP has performed a Level 1 environmental review as part of the process for the loan application for funding through NJEIT. Based on this review, the NJDEP has made a decision to approve the planning information for the project. The review of the project indicates that it conforms to a category of projects that by their nature generally have little or no adverse impact on the environment. Project documentation submitted in support of this project and review by the NJDEP indicates that the potential for environmental impacts will be minor.

Upon written request to Mr. Ronald S. Anastasio, P.E., Executive Director, Somerset Raritan Valley Sewerage Authority, 50 Polhemus Lane, Bridgewater, NJ 08807, the Somerset Raritan Valley Sewerage Authority will make available for public review both the project planning document and the NJDEP's decision statement for this project.
