

## PUBLIC NOTICE

Notice is hereby given in accordance with the requirements of its Industrial Pretreatment Program, that the Somerset Raritan Valley Sewerage Authority (SRVSA) intends to issue a mass modification of all Industrial Pretreatment Program permits. The purpose of this mass modification is to incorporate the requirement to prepare an Emergency Discharge Limitation Plan into each Industrial Pretreatment Program permit, as required by the New Jersey Department of Environmental Protection in April 28, 2016 Guidance Document, "State of New Jersey Guidance for Pretreatment Programs during Emergency Situations." Each Industrial Pretreatment Program Permittee will be required to prepare an Emergency Discharge Limitation Plan within 12 months of the effective date of the final permit modification, and to notify the SRVSA in writing upon their completion of the Emergency Discharge Limitation Plan. This proposed mass modification will not affect the expiration dates of any of the Industrial Pretreatment Program permits.
