Notice is hereby given, in accordance with the requirements of its Industrial Pretreatment Program that the Somerset Raritan Valley Sewerage Authority (SRVSA) intends to administratively terminate the Non-Domestic Wastewater Discharge Permit 12G, issued to:

Ethicon Inc., located at Route 22 West, in Bridgewater, NJ.

The discharge permit is proposed to be administratively terminated as the facility has decreased operations and been classified as a *De Minimis Industrial User*, and no longer requires a permit.

Anastasio, P.E., Executive Director, SRVSA, 50 Polhemus Lane, Bridgewater, New Jersey 08807, by the close of the public comment period, which closes thirty calendar days after the publication of this notice in the newspaper. All persons, including the permittee, who believe that the SRVSA's decision to terminate the permit is inappropriate, must raise all reasonable ascertainable arguments and factual grounds supporting their position, including all supporting material during the public comment period.
