

## PUBLIC NOTICE

### **Somerset Raritan Valley Sewerage Authority / 50 Polhemus Lane, Bridgewater, NJ Title V Operating Permit No. BOP190001 / Program Interest No. 35857**

In accordance with New Jersey Department of Environmental Protection Administrative Order 2021-25, and pursuant to N.J.S.A. 13:1D-157, the Somerset Raritan Valley Sewerage Authority (Authority), located at 50 Polhemus Lane, Bridgewater, NJ will hold a public hearing for the purpose of receiving oral and/or written comments on its Title V Air Permit Renewal Application submitted to the New Jersey Department of Environmental Protection on November 15, 2018. The hearing will be held in person and virtually on December 7, 2023, from 6:00 pm to 8:00 p.m. at the Authority Administration Building located at 50 Polhemus Lane, Bridgewater, NJ, and virtually at <https://www.microsoft.com/microsoft-teams/join-a-meeting> (Meeting ID: 246 062 304 611; Passcode: 6LAp2H). The hearing will begin promptly at 6:00 pm and will conclude when there are no more public comments to address.

The Authority will also receive and consider written comments. Written comments will be accepted from the date of this Public Notice until 3:30 pm on Saturday, January 6, 2024. Comments should be addressed to Mr. Ronald Anastasio, Executive Director, Somerset Raritan Valley Sewerage Authority, 50 Polhemus Lane, Bridgewater, NJ 08807 or emailed to [Ronald.Anastasio@SRVSA.org](mailto:Ronald.Anastasio@SRVSA.org). The Authority will respond to all timely-submitted comments.

The requested renewal of its current Title V Air Permit would allow the Authority to continue to operate Fluidized Bed Incinerator R2 and its components, in addition to other ancillary and insignificant sources. The SRVSA has operated a Fluidized Bed Incinerator at the same location since the 1970's treating the sewage sludge generated by its participant communities and customers. Interested parties are encouraged to review the complete Title V Air Permit Renewal Application, along with an accompanying compliance statement / project summary, both of which can be accessed online at [https://srvsa.org/?page\\_id=36](https://srvsa.org/?page_id=36). Printed copies of the Title V Air Permit Renewal Application and the compliance statement /project summary are currently available at the following depository:

Somerset County Library, Bridgewater Branch, 1 Vogt Dr., Bridgewater, NJ

Printed copies are also available upon written request from:
